Cover Letter

Drummond Group is pleased to announce that Legisym has successfully passed the audit requirements for credential issuers as established by the Open Credentialing Initiative (OCI).

This audit was conducted in accordance with the OCI Conformance Program and evaluated the Legisym credential issuer services for conformance with the OCI Credential Issuer Conformance Criteria version 2.3.0.

The audit confirmed that Legisym's Credential Solutions has met or exceeded all required criteria for credential issuers. For full details of the audit results please consult the audit report issued in conjunction with this letter.

Sincerely,

Patrick Paschall
Supply Chain Security Auditor
